Reason for Allowance

1. Claims 1-3 and 5-6 are allowed for the following reasons:

The instant application is deemed to be directed to a nonobvious improvement over the invention patented in Pat. No. 6453095.

Claims 1 allowed because the prior art of record, taken alone or in combination, fails to disclose or render obvious the step of replacing said phase mask with a movable, adjustable slit to irradiate selected portions of said filter for predetermined period of time, while monitoring said filter response, comparing said filter response to a target response, and ceasing irradiation when said filter response is in agreement with said target response in combination with the rest of the limitations of the base claim. Claims 2-3 and 5-7 depend on claim 1 and therefore they are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
